Sports Funding Statement 2014/15

For the academic year 2014/15, St Weonard's Primary School received £8,170 sports funding from the government to enhance the P.E. provision of the school. This funding is given to all schools and the amount is based upon the number of pupils. We have used all of the allocation to employ a specialist P.E teacher for one day a week. Mr Goodchild is employed to work across the Herefordshire Marches Federation of Academies.

At St Weonard's he teaches all year groups and runs a weekly afterschool club offering a variety of sports activities throughout the year. Mr Goodchild also organises a number of competitive matches and sports festivals with other schools.

As a result of the funding a greater number of children are now involved in extra-curricular activities; and the school has participated in a larger number of sporting events with other schools.
