## **Sports Funding Statement 2016/17**

For the academic year 2016/17, St Weonard's Primary School received £8,170 sports funding from the government to enhance the P.E. provision of the school. This funding is given to all schools and the amount is based upon the number of pupils. We used all of the allocation to employ a specialist P.E teacher for one day a week. Mr Goodchild was employed to work across the Herefordshire Marches Federation of Academies.

At St Weonard's he taught all year groups and ran a weekly afterschool club offering a variety of sports activities throughout the year. Mr Goodchild also organised a number of competitive matches and sports festivals with other schools. He also organised an internal inter-house competition and sports afternoon for all pupils to participate in.

As a result of the funding a greater number of children are now involved in a range of extra-curricular sporting activities; and the school has participated in a larger number of sporting events with other schools. It has achieved its Silver School Sports Award.
