

**KS1 Seahorse Class Home Learning- Summer 2**  
**Our Topic is Big!**

**Daily reading.**

This can be stories, poetry, information books, magazines.  
<https://www.oxfordowl.co.uk/for-home/find-a-book/> has over a 100 e-books for children age 3-11.

St Weonards  
School

**Spelling**

Reading and spelling your child's year statutory spellings or recapping spellings from your individual spelling log book. If you need another copy of these please contact us.

**Daily Phonics- Year 1**

<https://wandleenglishhub.org.uk/lettersandsound/s/year-1>

Here are lots of videos to help with learning sounds and tricky words in Phonics. Again, we suggest you do a video daily.

- ❖ We will email out some more Phonic mats for Year 2 but feel free to recap Year 1 phonics from the website if you wish.

For Phonic games visit  
<https://www.phonicsplay.co.uk/>

**English**

We will be emailing English activity booklets which are based upon our Talk 4 Writing Scheme that we follow in school. All the activities will be based upon a story which is at the start of the booklet.

You may also want to make up your own story, or story map, making up your own actions and performing it to your family.

**Daily Maths**

<https://whiterosemaths.com/homelearning/>  
Using the link you will find short Maths tutorials. We suggest that you do these daily. It has been proven that short focused activities which revisit skills regularly tend to work better for younger children. There are no worksheets to go with these but they do have links to the BBC Bitesize Maths <https://www.bbc.co.uk/bitesize/subjects/zjxhfg8> which is another great resource. You may follow the weeks by date or recap from week 1 if you prefer and want to move through them quickly. The Friday challenges are a great way of applying what the children have learned. Please talk through the videos with your child and feel free to carry on the learning using practical objects. E.g. scales, measuring tapes, sweets for counting etc.

**Topic**

Please continue to use the home learning ideas from last half term if not yet completed.

We are continuing with our topic Big! and focusing on Dinosaurs this half term.

See separate topic sheet!

Please choose some of the activities from each box to complete.

Take photos of your child taking part in these activities or other activities you have planned and upload them to seesaw when you can.

It has been lovely to see all the photos and messages you have already sent.  
Thank you!

**Keeping Active**

Joe Wicks is running a PE Lesson every day  
<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>

Complete some Supermovers videos
